Bingley Hall, Staffordshire Showground.

you can book online at [www.staffordspringbirdshow.co.uk](http://www.staffordspringbirdshow.co.uk)

### BREEDERS TABLES

2024 Main Sponsor

Here is your application form for the 2024 Stafford Spring Bird Show.

All Breeders Tables are solely for individuals to display and/or offer for sale their own surplus stock, they must be disease free and must adhere to DEFRA regulations on selling at bird shows, Birds that have originated outside of the UK must be quarantined in accordance with UK law.

As in previous years a prize will be offered for the Best Table display, details to be published in Cage & Aviary Birds magazine. Tables are strictly for birds only and should you wish to sell any other product please apply for a Trade Space. Occupants of tables not coming up to a good standard will be asked to leave and not invited to attend again. Tables are issued in the order they are received, and the layout is as follows – please note – the first 200 tables will be in the main hall, followed by 100 in annex 1 then 100 in annex 2, followed by 180 in the Prestwood Centre, with all remaining tables on the main hall balcony or rear annex. The closing date for table applications is 31st January 2024, however it is anticipated to be sold out prior to this date.

Tables (6'x2') are bookable at £20.00 each together with admission wristbands for table holders and their guest. Two table wristbands @ £10.00 each can be booked for each table, additional table wristbands can be purchased @ £12.50 each, wristbands should be applied for when ordering tables. Admission only on presentation of the table receipt and wristbands.

The hall will be open from 7.00am for table holders and their guest via the usual entrance on the left hand side of the main hall and the Prestwood Centre, the show is open from 9.00am until 2.00pm.

Should you sell all your birds prior to the show and no longer require your table please let us know - otherwise you will be held responsible for any persons occupying that table in your absence.

The organisers reserve the right to accept or reject any application and further reserve the right to assign the reason for their decision.

You may have seen our show catalogues in the past, these are free to all attendees, advertising space is available now for breeders, prices start at £20.00 for 1/2 page, call 07971474862.

Please return the attached slip together with a stamped addressed envelope, failure to include an envelope will delay the process of your application, which may result in you not being allocated a table.

Cheques payable to '**STAFFORD SPRING BIRD SHOW**'. All cheques will be cleared before wristbands are sent out (this could take up to 10 working days, and in busy times even longer).

Yours faithfully

*Jackie*
