CLUB SPACES

We would like to take this opportunity to offer you trade space at our Stafford Spring Bird Show. Book your first Society Table for FREE!

Yes you did read it correctly. We would like to take this opportunity to offer your Club, Society or Association space, **free** of charge at our forthcoming show, thanks to support from Supablend.

This is on the understanding that the space is used by your group for promoting and raising funds by the sale of club items or membership and that advice is given freely to all attendees about your respected interests.

The loan of one trestle table will be provided for your use free of charge. Should you wish to sell birds on behalf of club members* then we would advise you to take an extra table which will be required at a cost of £20.00 each and this can be located next to the club space. Admission is by means of an entry wristband, which can be purchased prior to 31st December 2022 for £10.00 each or upto 31st January 2024 at a cost of £12.50.

Space as ever, is at a premium, therefore we would ask you to submit an application form at the earliest possible opportunity, last year saw over 40 clubs occupying approx 100 tables!

You may have seen our show catalogues in the past, these are free to all attendees, advertising space is available now for clubs, prices start at £20.00 for 1/2 page, call 07971474862.

A mention of your attendance in your newsletter or magazine would be appreciated and we also run a banner and link exchange, if you would be so kind as to display this in a prominent position on your website or in your newsletters to members we will reciprocate with a link to your society from the society page on our heavily promoted website. If you require such a banner to a specific size, please email your requirements to our site administrator - staffordshow@googlemail.com

Should you have any queries please do not hesitate to contact us and we will do our best to assist you.

The closing date for applications is 31st January 2024. A reservation is contained overleaf for your booking and should you have any queries please do not hesitate to contact myself or my wife Vanessa and we will do our best to assist you.

* Defra Regulations apply

Yours,

Shaun
