Stafford Spring Bird Show

9.00am-2.00pm, Sunday 3rd March 2024,
Bingley Hall, Staffordshire Showground.

www.staffordspringbirdshow.co.uk

2022 Main Sponsor

We would like to invite you to apply for space at our 31st Stafford Spring Bird Show!

Trade Spaces will be three metres deep and are offered at £40.00 per metre frontage.

Traders must ensure that the space booked is adequate for their needs as aisles and walkways must remain clear for the public. Electrical points are available on some pitches at a cost of £25.00.

Traders requesting previously held positions are requested to reply together with a deposit as soon as possible whilst the choice is available. The trade space plan will commence the first week in December and traders who wish to change sites, together with new traders will be accommodated from then on. Trade passes are available at £10.00 each until 31/01/2024.

On Saturday 2nd March 2023 the hall will be open for traders only, from 12 noon until 10.00pm. to enable you to set up, with the halls being patrolled throughout the night. On Sunday 3rd March the hall will open for traders from 7 am and the show will be open from 9.00 am till 2.00 pm.

Due to Fire Regulations ALL fire exits must be kept clear and unobstructed at all times. Fire exits should not be used unless in an emergency. Traders requiring items from their vehicles must only use the official trade entrances. Anyone violating this will be asked to leave and not invited to future shows and could well face prosecution. This event is strictly a NO SMOKING/VAPING show.

Trestle tables are available for hire at £10.00 each in advance, these must be pre-booked, no additional tables will be available on the day.

The show will be well advertised, as usual, in Cage & Aviary Birds along with some specialist club newsletters where available and also promoted at other large bird keeping events. It would also be appreciated if you would mention in your own advertisements that you will be attending the show.

Free parking is available on most sides of the hall however it is imperative that no one parks adjacent to the hall in order to comply with Fire Regulations. Vehicle access is available to most sites inside, on the Saturday however no vehicles are allowed in the halls on the Sunday morning.

Due to the 2006 Judicial Review traders can no longer sell birds however breeders and club displays remain unaffected, DEFRA regulations will be enforced.

The person nominated on the application form will be held responsible for all stock held on the site, therefore subletting part or all of a site is strictly prohibited without the organisers prior agreement.

Our show catalogue is proving helpful to the public attending, if you are interested in placing an advert please contact us as soon as possible, prices are very competitive! From £20 from 1/2 page

The organisers reserve the right to accept or reject any application for space and further reserve the right to assign any reason for taking such action.

Yours,

Shaun Smith (Show Organiser)
